

Legrand Enters Pact With Minto Communities To Outfit 9,000+ New Homes With On-Q And Pass & Seymour Products

Deal Covers New Latitude Margaritaville Communities in Daytona Beach, Fla., and Hilton Head, S.C

MIDDLETOWN, Pa., Oct. 4, 2017 /[PRNewswire](#)/ -- Legrand, the global specialist in electrical and digital building infrastructures, announced an agreement with Florida-based Minto Communities to provide its On-Q and Pass & Seymour (P&S) products for more than 9,000 homes to be built in new Latitude Margaritaville communities in Daytona Beach, Fla., and Hilton Head, S.C.

As a result, On-Q plastic structured wiring enclosures and P&S Legrand radiant® Decorator style switches and duplex style receptacles will be standard products in each home built. In addition, five On-Q and P&S electrical device upgrade packages will be made available to home buyers, including offerings such as electrical outlets with USB charging ports, weather and tamper proof receptacles, occupancy sensor switches and adorne® pop-out receptacle outlets.

"Only the leading suppliers are selected by Minto for our communities and homes," said Minto Vice President of Operations Steve Svopa. "Legrand exemplifies the ideal partner in the quality and innovation of its products, as well as the service its salespeople and support staff offer. We look forward to working with its teams on this and future projects."

"This major agreement is notable not only for the number of new homes it encompasses, but also for the wide array of Legrand brand products involved," said Fritz Werder, VP/GM for Legrand's On-Q and Nuvo lines. "We take this as a vote of confidence in our award-winning products and our building industry track record. We also look forward to the chance to focus on more ways to work together."
