Press Releases

FOREX.com to Host Live Webcast on Expected Foreign Exchange and Key Commodity Markets Outlooks

FOREX.com Markets Outlook - Third Quarter 2010 Media Alert

WHAT: FOREX.com will host a live webcast offering detailed analysis and commentary on expected 3Q market trends, including the weakening of the euro, the potential for a U.S. economic recovery and the implications for key commodities. In the Eurozone, the FOREX.com research team will analyze the possibilities of a double-dip recession that could jeopardize the global economy. While in the U.S., they will discuss why a recovery is viable as the dollar continues to benefit from heightened risk aversion despite high unemployment rates.

WHO: Presenters are:
-Brian Dolan, chief currency strategist, FOREX.com
-Jane Foley, director of research, FOREX.com UK

WHEN: Tuesday, June 15, 2010 at 10:00AM ET; 2:00PM GMT

WHERE: Webcast URL:
http://www.videonewswire.com/event.asp?id=69134

DETAILS: The FOREX.com Markets Outlook will offer expert analysis and market commentary from the company's international team of currency strategists and economists. There will be a question and answer session following the formal presentation. The webcast will be archived on www.forex.com and will be available for playback on demand.

GAIN Capital Holdings, Inc. is a global provider of online trading services, specializing in foreign exchange (forex or FX) and contracts for difference (CFDs).
