Management Comment

"We are pleased to report that our positive momentum continued in April, with sequential and year-on-year volume growth across all our business lines, as improving market conditions helped boost client engagement," said Glenn Stevens, CEO of GAIN Capital. "These factors, combined with our pending acquisition of GFT, which is on track to close in the third quarter, put us in a strong position to capitalize on more favorable market conditions."

GAIN will continue to release monthly operating metrics, with each month's figures being released in the middle of the following month. Historical metrics and financials can be found on GAIN Capital's investor relations website at <https://ir.gaincapital.com>
