Secure-24 Continues to Climb on CRN Solution Provider 500

Company Ranks #262 on 2015 List of North America's Largest Technology Integrators

SOUTHFIELD, Mich., June 9, 2015 /PRNewswire/ -- Secure-24 (www.secure-24.com), a leading provider of application hosting and managed cloud services, was ranked for the third year in a row to the The Channel Company's 2015 CRN® Solution Provider 500 (SP500).

Secure-24 ranked #262 in the 2015 rankings. The annual list, spanning eight categories, from hardware and software sales to managed IT services, recognizes the top revenue-generating technology integrators, managed service providers and IT consultants in North America. Solution providers are ranked based on revenue, determined by product and services sales during 2014.

"This award is a testament to our team's dedication to moving our clients' businesses forward with cutting edge technology and world class customer service," said Mike Jennings, CEO, Secure-24. "It's an honor to be recognized for the third year in a row."

"The companies represented here are truly dedicated to the needs of customers today. With an evolving IT landscape, this prestigious list serves as a valuable industry resource to help vendors navigate the solution provider community and identify the best partners for their business," said Robert Faletra, CEO, The Channel Company. "We congratulate the featured solution providers for their forward-thinking approach to solutions sales and look ahead to their continued success."

A sample of the 2015 Solution Provider 500 list will be featured in the June issue of CRN, and online at www.CRN.com**.**
