Emergent Capital to Co-Sponsor & Present at 1st Annual Life Settlements Investor's Symposium at ABS East

BOCA RATON, Fla., Sept. 3, 2015 /PRNewswire/ -- Emergent Capital, Inc. (NYSE: EMG) ("Emergent"), a specialty finance company that invests in esoteric asset classes, primarily life settlements, will be the lead sponsor and opening presenter at the 1st Annual Life Settlements Investor's Symposium to be held at the Fontainebleau Miami Beach in Miami Beach, Florida on September 18, 2015.

The Symposium is a one-day event that will present a comprehensive picture of the developments and investment opportunities in the life settlements market, as well as the potential involvement of the structured finance community. Run in tandem with the 21st Annual ABS East 2015, the Symposium will serve as the foundation for the expected delegation of over 3,000 structured finance professionals, including more than 1,000 asset-backed issuers and institutional investors. The ABS East delegates will have access to the Symposium to explore the opportunities in the life settlement asset class, learn the facts and network with the leading professionals in the sector.

Rory O'Connell, Emergent Capital's chief financial officer and chief credit officer, will deliver the Symposium's opening remarks and moderate panels on the market overview and opportunities in structured finance. Michael Altschuler, Emergent Capital's general counsel, will be participating in a panel discussion that will review the current legal landscape of the life settlements industry.

ABS East 2015 hosts a delegation of over 3,500 structured finance professionals annually. Now in its 21st year, ABS East has become the must-attend Fall gathering of the securitization industry, offering beneficial market insights with actionable takeaways. ABS East 2015 is sponsored by IMN, a global organizer of institutional finance & investment conferences, and part of Euromoney Institutional Investor PLC, a UK company listed on the London Stock Exchange.
