

ZeeVee, Leading AV Technology Firm, Names Feintuch for Global PR

NEW YORK, May 7, 2018 /[PRNewswire](#)/ -- ZeeVee, Inc. (www.zeevee.com), a leading global maker of professionally-installed audio-video distribution systems, has named Feintuch Communications (www.feintuchcommunications.com) as its global public relations agency of record.

Feintuch Communications will implement a comprehensive strategic relations program to support ZeeVee's marketing to trade and end-user customers for commercial AV distribution systems. ZeeVee's products are used widely in business, education, hospitality, retail, broadcast, healthcare, housing and other markets. ZeeVee, which develops and manufactures its products in the U.S., is based in Littleton, Mass.

"ZeeVee is an established leader in developing digital technology and solutions for distributing audio-video content in business, education, and other commercial applications," said Bob Michaels, CEO. "We're a leader in RF technology and now at the forefront of the transition to Ethernet-based networks for AV distribution, and we believe Feintuch is the right firm to help us bring our message and tell our story to all our global markets."

The Feintuch Communications ZeeVee team is led by Henry Feintuch, president; Doug Wright, senior account director; and Richard Roher, managing partner. The group has an enormous amount of AV and related industry experience including current work for HDMI Licensing Administrator and Legrand and prior support for Atlona, AptoVision, CEDIA and Yamaha.

"This is an exciting time in the AV industry, with organizations of all types rapidly moving toward Internet protocol networks, so called 'IP-based technology,' for distributing AV content," said Henry Feintuch, agency president and founder. "We look forward to working on ZeeVee's behalf to educate the market about the advantages of this technology and ZeeVee's leadership in this arena."

About ZeeVee

ZeeVee (www.zeevee.com) is a global manufacturer of video and signal distribution technology for the ProAV and IT marketplace. As the only manufacturer today that can deliver multimedia content over coax, fiber and CATx, ZeeVee has transformed the digital video industry with its award-winning, HD to Ultra-HD/4K solutions. The company offers a variety of innovative, cost-effective and easy to install distribution platforms. ZeeVee is installed in thousands of facilities worldwide where there is a need to transport HD/UHD content from multiple sources to multiple displays over long distances. ZeeVee is a founding member of the [SDVoE Alliance](#) and a [Global Presence Alliance](#) Technology Partner.
