## Leclanché announces extension of the publication deadline for its 2022 annual report and releases its unaudited 2022 key figures

**YVERDON-LES-BAINS, Switzerland, May 2, 2023** – In its decision of April 28, 2023, SIX Exchange Regulation AG approved an extension of the publication deadline of Leclanché's 2022 annual report until May 31, 2023 and requested that Leclanché (SIX: LECN), one of the world's leading providers of energy storage solutions, publish certain 2022 unaudited key financial figures by May 2, 2023.

The Company has just completed the closing work for its consolidated and statutory accounts as well as finalising the year-end audit. The closing work had to be postponed because of various outstanding items of information and their corresponding verification. The new board of directors, new executive committee, and new auditors are working diligently to ensure that all outstanding items of information are verified, so that Company accounts can be published by May 31, 2023.

Leclanché is therefore releasing its unaudited key financial figures for the year 2022:

In 2022, the Company's consolidated revenue amounted to CHF 18.0 million, delivering a notable increase in the second half of the year compared to the already published CHF 6.5 million for the first half of the year.

Despite an expected unaudited net loss for the year 2022 of CHF (87.0) million, the Company has been able to maintain a stable balance sheet of CHF 90.9 million as of December 31, 2022 compared to CHF 89.7 million the previous year.

The Company's commitment to growth and innovation has continued to drive success and build the foundation for future opportunities. The board is confident about the Company's potential to create value for its shareholders and drive growth.

In its decision of April 28, 2023, SIX Exchange Regulation AG requested Leclanché to insert the below excerpt in this ad hoc announcement:

The exemption application of Leclanché (Issuer) dated 24 April 2023 requesting an extension of the deadline to publish its 2022 annual report and to file such report with SIX Exchange Regulation AG until 31 May 2023 at the latest, is granted with the following reservation (lit. a) and under the following conditions (lit. b):

- a. SIX Exchange Regulation AG reserves the right to suspend trading of the registered shares of the Issuer in case its 2022 annual report is not published in accordance with the provisions on ad hoc publicity (Art. 53 of the Listing Rules [LR] in connection with the Directive on Ad hoc Publicity [DAH]) and not filed with SIX Exchange Regulation AG until Wednesday, May 31 2023, 11:59 pm CET, at the latest.
- b. Leclanché is required to publish a notice in accordance with the provisions on ad hoc publicity (Art. 53 LR in connection with the DAH) concerning this decision until Tuesday, 02 May 2023, 7:30 am CET, at the latest. The notice must contain:

- the reasons for the application of the Issuer requesting an extension of the deadline to publish its 2022 annual report and to file such report with SIX Exchange Regulation AG;
- the unaudited key figures such as net revenues, EBITDA, EBIT, profit/loss, balance sheet total, equity etc. for the annual results 2022.
