

SurgePays to Exhibit at the NACS Show 2023

BARTLETT, Tenn., September 18, 2023 - SurgePays, Inc. (Nasdaq: SURG) ("SurgePays" or the "Company"), a technology and telecom company focused on the underbanked and underserved, will participate in the convenience industry's largest trade event, NACS Show 2023, being held in Atlanta from Oct. 4 - 6.

The SurgePays team, exhibiting in booth #B3977, will demonstrate how convenience stores can participate in helping consumers to sign up, in-store, for the Federal ACP program providing them with a free tablet and broadband service. The company will display the full range of its financial technology services - including gift cards, stored value cards, wireless top-up and ACP enrollment services. SurgePays also plans to highlight new service offerings for the convenience store channel.

"We had a tremendously positive experience last year at the annual NACS Show," said D. Garth Billstin, vice president of sales, SurgePays Fintech, Inc. "We've expanded our show presence for 2023, added more personnel and will be showing our full line of products and services designed to help convenience stores support underbanked and underserved consumers."

About NACS

NACS, the leading global trade association dedicated to advancing convenience and fuel retailing, serves as a trusted advisor to over 1,300 retailer and 1,600 supplier members from more than 50 countries. A member-driven organization, NACS is led by a 29-member [Board of Directors](#) comprised of convenience retailers of all sizes from all over the globe. NACS serves the convenience and fuel retailing industry by sharing ideas and insights in its award-winning publications (including *NACS Magazine* and the Convenience Matters podcast), creating unique networking and education opportunities (including the annual NACS Show, one of the 40 largest trade shows in the United States) and through industry-leading research and analysis.
