

# ZeeVee ZyPerUHD60 Encoders and Decoders Make Asia Debut at InfoComm India

MUMBAI and LITTLETON, Mass., October 2, 2023 – AV distribution technology provider [ZeeVee](#) will be returning to InfoComm India this month and will display, for the first time in India, its popular ZyPerUHD60 encoders and decoders.

The conference will be held in Mumbai at the Jio World Convention Centre from October 25 – 27. ZeeVee's Rajesh Patkar, India country manager, will be among those in the company's booth, #E47.

The ZyPerUHD60 platform delivers up to full 4K@60 4:4:4 UHD content with low latency over 1Gb Ethernet networks. Ticking all the boxes, it covers everything from point-to-point for Teams/Zoom rooms to large-scale installations with hundreds of end points.

"As the Asian AV market leaves COVID-19 behind, the industry is entering a new phase of growth and innovation," said Rob Muddiman, VP, EMEA, ZeeVee. "Our comprehensive product line up of encoders and decoders, addresses the evolving demands of deployments in all market sectors and applications, with rapid installation thanks to our advanced Management Platform."

ZeeVee will also be showcasing its value-engineered SDVoE ZyPer4K-XS encoders and decoders, ZyPer Management Platform 3.0 with enhanced security features, HDMI 2.0 Extender, ZyPerPad IP-enabled keypad controller, ZyPer4K SDVoE Wall Plates and more.
