

Kramer Announces First Training and Networking Event of 2025 in Metro N.Y.

March 6 session in Teaneck, N.J. to provide insights into the latest solutions and trends in pro AV

CLINTON, N.J., February 6, 2025 – Integrators and AV managers will have an opportunity to enhance their professional growth, expand their industry connections and participate in hands-on learning next month at [Kramer](#)'s first training and networking event of 2025 being held in Teaneck, N.J.

The Kramer 2025 "kwAVe" Tour event, to be held on March 6 at the Teaneck Marriott at Glenpointe from 9:30am-1:30pm, targets New York City and metropolitan New Jersey AV professionals seeking to gain insights into the latest Kramer solutions and trends in Pro AV. In addition, audio-visual pros will be able to earn a total of 2.75 CTS credits for participating in two training sessions:

Everything USB-C will include the full range of Kramer USB solutions as well as troubleshooting tips (1.5 CTS credits)

Advanced Imaging Capabilities in AV over IP will leverage ZeeVee's latest SDVoE technology (1.25 credits)

A complimentary light breakfast and lunch will be served. Seating is limited and advanced registration is required in order to attend.

For more information and to sign up for the Kramer kwAVe event, [click here](#) or contact your Kramer relationship manager.

About Kramer

Kramer audio-visual experiences power creativity, collaboration, and engagement. From AVSM to advanced cloud-based communication, collaboration and control solutions, Kramer creates audio-visual experiences that are more engaging, more inclusive, and more connected than ever before.

Headquartered in the heart of Startup Nation – Tel Aviv, Israel with locations around the world including North America and Latin America headquarters in Clinton, N.J., Kramer's audio-visual experts are designing the future of engagement technology. Physical and digital boundaries have blurred. But no matter how hybrid our world becomes, our desire for real, human connection will never cease.

Kramer's intuitive, seamless technology breaks down walls, bridges gaps, and makes people feel closer together even when they're far apart.
